SUMMARY

- Resilient Combat Veteran: Served in Afghanistan from 2011-12; transitioned to UGA in Jan 2017
- CS-Degree w/Cyber Security Focus: Proficiency in cyber-related programming languages

EDUCATION

UNIVERSITY OF GEORGIA, FRANKLIN COLLEGE OF ARTS & SCIENCES

May 2019

BS-CS – Undergraduate, Computer Science (CS), Cyber Security

EXPERIENCE

Army National Guard, AL

June 2010-June 2018

Management Specialist

- Led project management efforts to provide strategic direction/operational support to assigned staff
- Planned/implemented training (e.g. classes, workshops, exercises) supporting 300 deployed troops
- Collected, analyzed, and organized intelligence; authored/submitted timely and accurate reports

University of Georgia, Office of the Dean of Students

June 2017-Present

Student Veterans Resource Center (SVRC), Intern/Data Analyst

- Managed the SVRC Service Desk; supported over 250 veterans attending 17 schools/colleges
- Led efforts to populate/manage a SQL database that linked to Tableau for in-depth analysis
- Worked with UGA to help assess and mitigate risks to SVRC databases and networks

Xpectit Printing and Promotions, LaGrange, GA

June 2008-August 2017

Graphic/Web Designer (June 2008-August 2017)

- Created, modified, and promoted all designs/products that suited user demands. Worked from original specifications to exceed client's intent (e.g. quality, cost and time).
- Formulated product innovation strategies and analyzed opportunities to shape multiple competing products; led primary research to come up with customizations for new products and new markets

Sales Representative (June 2008-August 2017)

- Controlled cash accounts receiving and processing funds; oversaw inventory from sales to shipping
- Managed record keeping to include accounts payable, receivable and collection protocols

LEADERSHIP/CAMPUS INVOLVEMENT

- Member Society for Cyber Security
- Member Society of Management of Information Security
- Member UGA Chapter of the Student Veterans of America
